

2020 Midyear Clinical Hypnosis Workshops (Three Tracks)

SCAN ME

April 24-25, 2020 (Friday and Saturday)
Chicago School of Professional Psychology
Chicago, Illinois

Co-sponsored by the Society for Clinical and Experimental Hypnosis and the Institute for Continuing Education

12.5 CE credits - Workshops meet accepted Standards of Training in Clinical Hypnosis and count toward SCEH Certification Programs.

Hypnosis is a powerful, evidence-based tool used by medical and psychological providers to help patients address a myriad of issues. Will this be the year you learn more about Clinical Hypnosis?

- *Introductory/Basic – **Foundations of Clinical and Applied Hypnosis***
- *Intermediate – **Intermediate Training in Clinical and Applied Hypnosis***
- *Advanced – **Chronic Pain and the Opioid Crisis: Mind-body Innovations in Clinical Hypnosis***

SCEH hypnosis training programs are of the highest teaching quality and feature experiential learning so you can put learned concepts into immediate practice. Workshops meet accepted Standards of Training in Clinical Hypnosis and count toward SCEH Certification. See website for details and eligibility.

Training Supported by Division 30 of the APA

SOCIETY OF PSYCHOLOGICAL HYPNOSIS

SCEH is working with APA Division 30 to promote this event and to grant their members a discounted registration price.
