

2021 Midyear Clinical Hypnosis Workshops

April 23-24 - Offered Online
Introductory, Intermediate & Advanced

www.sceh.us/2021-midyear-workshops

Co-sponsored by SCEH and the The Institute for Continuing Education
Supported by APA Division 30

Clinical hypnosis is a powerful, evidence-based tool that allows medical and psychological healthcare providers to help patients and clients address a myriad of issues. SCEH workshops meet accepted Standards of Training in Clinical Hypnosis and count toward SCEH Certification Programs. SCEH workshops are of the highest teaching quality and feature experiential learning so you can put learned concepts into immediate practice with clients and patients.

Earn 12.5 CE credits for Introductory and Intermediate Tracks or up to 10 CE for Advanced Track.

- **Introductory/Basic – Foundations of Clinical and Applied Hypnosis**
- **Intermediate/Skills – Intermediate Training in Clinical and Applied Hypnosis**
- **Advanced – Three varied topics. Sign up for individual sessions or all three.**
 - ❖ **Clinical Hypnosis for Pain-Related Anxiety**
 - ❖ **Hypnotherapy for Stress Management: Integration of Mindfulness, Music, Relaxation, and Suggestion in Clinical Practice**
 - ❖ **Hypnosis Applications for Chronic Illness and Medical Procedures**

➤ **Designed for:** Psychologists, Physicians, Social Workers, Counselors, Dentists, Chiropractors, Master's level Nurses and Clinical Nurse Practitioners, other Master's level licensed mental health and healthcare professionals, and clinical and experimental researchers in the field of hypnosis. The event is open to any health care professional who is eligible for SCEH membership. Special student rates apply.

Details and registration:

- Advance registration (by April 21) is required.
- Register early for best rates. Members of SCEH and APA Div. 30 qualify for discounted registration rates. Learn more: <https://www.sceh.us/2021-midyear-workshops>
